

Request for Proposals

Creation and execution of an innovation spotlight video series highlighting techNL members

Date of Issue: February 8, 2021

Submission Deadline: February 22, 2021 at 4:00 pm NST

Background

Formerly known as NATI, techNL is a not-for-profit industry association that works closely with members, industry and government to help shape policy and advocate for those issues that matter most to members. As the voice of the \$1.6 billion technology sector in NL, techNL's mission is to help members grow and scale through our work on talent development, programming, technology advocacy, digital transformation, and strategic partnerships. More information can be found on the website techNL.ca.

COVID-19 has forced many organizations globally to pivot programming to virtual platforms in lieu of relying on in-person events. techNL is working to provide useful content about the technology and innovation sector in the province to communicate the growing trajectory of the sector to encourage collaboration, promote partnership opportunities, and ultimately build awareness about the amazing opportunities here in the province. The pervasive message is that skilled workers can stay, work, and thrive right here in Newfoundland and Labrador, working with incredible companies that do business around the world.

This Request for Proposals (RFP) is being undertaken to help techNL develop an online *Member Spotlight Series* to highlight techNL members and share their innovative work on a variety of platforms using storytelling as an effective communication tool. Spotlights will cover a provincial scope and will demonstrate how technology and innovation is driving all sectors.

Scope of Work

The successful proponent will create a techNL *Member Spotlight Series* based on eight (8) techNL members which will highlight innovative global work. The following components are included in the project.

1. A promotional video to represent the overall technology and innovation sector (4-5 minutes), including the scriptwriting
2. A shortened version of the video mentioned above as a header for the techNL *Member Spotlight Series*. This is an edited version of the promotional video with no additional footage required and should be less than two minutes in length.
3. Interviews with the 8 techNL members to be highlighted in the series. techNL will identify which members will be highlighted and interviewed. No travel will be required.
4. For each techNL member that is highlighted the successful proponent will create the following:
 - 1 member spotlight video (3-4 minutes)
 - A written version of the video in an article format for the techNL website/newsletter
 - Social media shareables:
 - 2-3 video clips (20 sec clips) to use for promotion and social media
 - 1 Promotional image per channel (Twitter, LinkedIn, Facebook)
